COLORE- colour - coloris - color

Leggere differenze di colore fra una partita e l'altra sono da considerarsi normali. Leggeri scostamenti non verranno accettati come reclamo. I colori chiari non devono essere messi a contatto con tessuti e capi d'abbigliamento trattati con coloranti non fissati o con scarse solidità di tintura, onde evitare macchie ed aloni di coloranti di cui non possiamo garantire la pulitura.

Slight color differences between one lot and another have to be considered within commercial tolerance. Slight differences will not be accepted as a complaint. To avoid permanent stain-sb, the lighter colours of the article should not be brought into contact with textiles and clothing coloured with unfixed dyes. We cannot guarantee the ability to remove unknown dyes from light coloured product.

Légères différences de couleur entre un lot et l'autre doivent être considérés comme étant normales. Légères différences ne seront pas acceptées comme réclamation. Les couleurs claires ne doivent pas entrer en contact avec de tissus et vêtements traités avec de colorants mal fixés ou avec de pigments peu solides, pour éviter taches et halos de colorant pour lesquels nous ne pouvons pas garantir le nettoyage.

Las diferencias leves de color entre un lote y el otro deben considerarse normales. Las variaciones leves no se aceptarán como reclamo. Los colores claros no deben ponerse en contacto con telas y prendas tratadas con colorantes no fijados o con escasa solidez de tintura, a los fines de evitar manchar y dejar marcas de colorantes, de las cuales no podemos garantizar la remoción.
